

End-User License Agreement (EULA)

Your Agreement to this License

You should carefully read the following terms and conditions before using, installing or distributing this software, unless you have a different license agreement signed by ***SysInfoTools Data Recovery***.

If you do not agree to all of the terms and conditions of this License, then do not copy, install, distribute or use any copy of the software product with which this License is included, you may return the complete package unused without requesting an activation key, within 30 days after purchase, for a full refund of your payment.

The terms and conditions of this License describe the permitted use and users of each Licensed Copy of software product. For purposes of this License, if you have a valid single-copy license, you have the right to use a single Licensed Copy of the software; if you or your organization has a valid multi-user license, then you or your organization have/has the right to use up to a number of Licensed Copies of the software equal to the number of copies indicated in the documents issued by SysInfoTools Software when granting the license.

Scope of the License

Each Licensed Copy of SysInfoTools Software products may either be used by a single person or used non-simultaneously by multiple users who use the software personally installed on a single workstation. This is not a concurrent user license. All rights of any kind in SysInfoTools Software products, which are not expressly granted in this License, are entirely and exclusively reserved to and by SysInfoTools Software. You may not rent, lease, modify, translate, reverse engineer, decompile, disassemble, or create derivative works based on, SysInfoTools Software products, nor permit anyone else to do so. You may not make access to SysInfoTools Software products available to others in connection with a service bureau, application service provider, or similar business, nor permit anyone else to do so.

Warranty Disclaimers and Liability Limitations

SysInfoTools Software, and any and all accompanying products, data and materials, are distributed and provided on an “AS IS” and “AS AVAILABLE” basis and with no warranties of any kind, whether expressed or implied. In particular, there is no warranty for the quality of data recovered. You acknowledge that good data processing procedure dictates that any program provided by SysInfoTools Software, must be thoroughly tested with non-critical data before there is any reliance on it, and you hereby assume the entire risk of all use of the copies of SysInfoTools Software products covered by this License. This disclaimer of warranty constitutes an essential part of this License.

In addition to, in no event does SysInfoTools Software authorize you or anyone else to use SysInfoTools Software products in applications or systems where SysInfoTools Software products fail to perform can reasonably be expected to result in a significant physical injury, or in loss of life. Any such use is entirely at your own risk, and you agree to hold SysInfoTools Software harmless from all claims or losses relating to such unauthorized use. You agree to hold SysInfoTools Data Recovery harmless from any and all claims or losses relating to such unauthorized use.

SysInfoTools Software and its affiliates, partners, suppliers and licensors hereby disclaim any and all representations, warranties and guaranties regarding the products and third-party content and services, whether express, implied or statutory, and including, without limitation, the implied warranties of merchantability, fitness for a particular purpose, and non-infringement. Furthermore, SysInfoTools Software and its affiliates, partners, suppliers and licensors make no warranty that **(1)**. *The application or third-party content and services will meet your requirements;* **(2)**. *The application and services will be uninterrupted, accurate, reliable, timely, secure or error-free;* **(3)**. *The quality of any products, services, information or other material accessed or obtained by you through the application will be represented or meet your expectations;* or **(4)** *Any errors in the application on third-party content and services will be corrected.*
